Greetings,

Since 2007, Kure It has been raising funds for cancer research. Funds raised are granted to the best and brightest researchers seeking cures for underfunded cancers. Unfortunately, 90% of cancers are underfunded.

The 5-year survival rate for people with cancer?
- 8% to 30% for those with an underfunded cancer
- 90% for those with a well-funded cancer

The only way to increase the survival rate for all cancers is to fund additional cancer research. Due to the generosity of people like you, by the end of 2021 we are projecting to have raised more than $12M for cancer research.

Why is your support of cancer research so important? We are all at risk!

- 1 in 3 Americans will develop cancer
- Every single minute, 1 American dies from cancer

You can help change these daunting statistics.

Join us at Kure It’s Let’s Save Lives Gala “Legends & Legacy”, on Friday, November 5th, 2021, at the home of Steve Craig. This year, we will highlight the exceptional life and legacy of UCLA legend, Terry Donahue, who battled cancer and was instrumental in supporting Kure It with our late founder Barry Hoeven.

We invite you to become a Sponsor for this event. Help honor the excellent work of cancer researchers and the many courageous people who have battled cancer.

Together We Can Eradicate Cancer!
